Subject: Fw: statement on dimock - please review asap

Roy,

I sent statement to Ron at Fox and Susan and Carolyn at WHY.

David

thoughts on this?

otherwise sending out

"EPA expects to begin receiving validated results of water samples from labs in the near future. Once that information is received we will determine next steps in coordination with the state, with the first important step being sharing relevant information with homeowners. Once we have notified the homeowners, we will share a summary of the information with the interested public."
